North-South Corridor

Northern Connector Project

September 2018

Port Wakefield Road, Waterloo Corner – northbound night works

As part of the Northern Connector Project night works will be undertaken on Port Wakefield Road, Waterloo Corner, for construction of the Northern Interchange.

Location: Port Wakefield Road, northbound between Symes and Brown Roads (refer to map).

Commencing: Monday, 3 September for approximately 2 nights, weather permitting.

Work hours: 7:30pm to 5am.

Activities: Installation of safety barriers.

Traffic management: Northbound traffic will be reduced to a single lane with speed restrictions in place. Signage and traffic management will be in place to advise motorists of changed conditions.

Following these works, northbound traffic on Port Wakefield Road between Symes and Brown Roads will operate under a 60km/h speed restriction to safely accommodate the construction of the Northern Interchange.

Thank you for your patience while these important works are undertaken.

More information: To sign up for traffic updates, please contact the Project Information Line on 1300 916 221 or email your contact details to northernconnector@lendlease.com.
