

Role Statement

TITLE OF POSITION: Fleet Management Officer
CLASSIFICATION LEVEL: ASO-5

Organisation Overview

The Department of Planning, Transport and Infrastructure (DPTI) serves the South Australian community by providing safe, effective and efficient planning, transport and infrastructure networks across the state and facilitating development of the State's Infrastructure, in accordance with South Australia's Strategic Plan and the State Infrastructure Plan.

DPTI is a values based organisation and relies on its people to live the values through positive behaviours to improve outcomes for employees and all South Australians.

By working together we capitalise on a unique and powerful opportunity – to connect with every part of our community and deliver positive outcomes every day.

Division

Safety and Service comprises of Operation Services Directorate, Asset Management Directorate, Project Delivery Directorate and Safety and Policy Programs Directorate.

This role belongs within the Asset Management Directorate which:

- Develops and implements infrastructure strategies and initiatives for the portfolio
- Develops asset management strategies, including preparing, managing and maintaining asset registers and asset information systems
- Provides a systematic and coordinated approach to optimally sustain portfolio infrastructure
- Maximizes the value and delivery of infrastructure and assets over their whole of life
- Provides governance review mechanisms including performance monitoring
- Delivers the maintenance of assets to increase asset performance and return on investment, including building facilities, rail infrastructure and rolling stock, road network, marine facilities & fleet, plant and equipment.

Role Overview

The Fleet Officer is accountable and reports to the Team Leader Fleet.

Responsible for management and provision of a high level of fleet and asset management services supporting the heavy plant and vehicle assets. The Officer will provide a range of field operations including contract monitoring, and the management of ongoing fleet maintenance (as set by the plant manufacturer), acquisition, replacement, and disposal of assets.

The Officer will be required to develop plans for continuous asset improvements to support timely, cost effective, quality maintenance services and asset decisions.

Key Outcomes of the Role

Directorate:
Position Number:
ANZCO Code:
