

Registration of interest process

School registers interest to participate in the **Way2Go Bike Ed** program by **MONDAY 20 OCTOBER 2014**.

Within three working days the nominated **Way2Go Bike Ed** coordinator receives an email confirming their submission form has been received.

An email will be sent to the school principal to verify submission. Confirmation must be received from the principal to DPTI by the **FRIDAY 24 OCTOBER 2014**.

In early term four successful schools are contacted to confirm they have gained a DPTI funded place.

DPTI provides list of successful school with details to our service provider Bicycle SA.

Bicycle SA will contact school. Schools participating in term one 2014 will need to meet with Bicycle SA in term four 2013. All other schools negotiate dates with Bicycle SA Education Manager by the end of term four.

Schools that register after the due date are waitlisted and may be contacted if a place becomes available.

For further assistance or enquiries please contact Krystil Ellis on telephone 8343 2459 or email krystil.ellis@sa.gov.au
