

South Australian Regional Bridge Upgrades

Stradbroke Road, Stanley Flat Temporary Road Closure and Detour

The Department for Infrastructure and Transport (the Department) is upgrading a series of bridges and culverts across regional South Australia to extend the service life of the structures and improve safety for road users.

Work is underway on the bridge over Hutt River on Horrocks Highway, north of Clare. As part of this project, a temporary closure of a section of Stradbroke Road, Stanley Flat is required. This will enable final pavement rehabilitation works to be undertaken as part of improving access into and out of Stradbroke Road. This project is expected to be complete in late August 2023 (weather permitting).

What to expect

Stradbroke Road, Stanley Flat will be temporarily closed in both directions at the Horrocks Highway junction from **8am Monday, 14 August 2023 until 5pm Friday, 18 August 2023** (weather permitting).

Horrocks Highway will remain open to traffic at all times with one lane open in both directions. A detour will be in place for local traffic to access Stradbroke Road during the works. Outside of works hours, the detour will remain in place. Please see overleaf for details.

Work will continue to be undertaken between 7am and 5pm, Monday to Saturdays. Road users are asked to please plan ahead, allow extra travel time, and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access will be maintained for emergency services vehicles at all times.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Every effort will be made to minimise impacts to the community.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance as much as practically possible. You may also notice some odour which is common when asphaltting works are underway.

The Department appreciates your co-operation and patience while these important works are undertaken.

To keep up to date as these works progress, we encourage the community to register for email updates. Please visit the project website www.dit.sa.gov.au/SARegionalBridges to register.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email DIT.Engagement@sa.gov.au

Kind regards,
