

North-South Corridor

Darlington Upgrade Project

Flinders Drive Utility Service Works

As part of the Darlington Upgrade Project, we will be undertaking utility service works on Flinders Drive, Bedford Park, from Monday 20 February until Friday 24 February 2017.

The works will occur between the hours of 8pm and 6am and will involve the use of an excavator, vacuum truck, and compaction equipment.

Traffic Management

- Access in and out of Flinders Drive will remain available at all times.
- Pedestrian access will not be affected by the works.

Temporary traffic management measures will be in place to alert motorists and road users are asked to use extra caution when workers are on site. Traffic and speed restrictions will apply in the vicinity of the works. Signage will alert motorists to the changed traffic conditions.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to local residents as much as possible.

If you have any questions or would like to speak to a member of the project team who will be available 24 hours 7 days a week please contact us on 1300 759 334 or alternatively email: enquiries@gatewaysouth.com.au

Kind Regards,
Darlington Upgrade Project Team
