Gawler East Link Road Project

Dear Resident/Business Owner,

I am writing to update you on the progress of the Gawler East Link Road (GELR) Project.

The majority of the survey and environmental planning investigations have now been completed.

What will happen now?

The Department of Planning, Transport and Infrastructure (DPTI), in collaboration with the Town of Gawler, is now progressing the development of a detailed concept design. The concept design will be provided to the community and stakeholders to seek feedback prior to progressing the detailed design.

The concept design is expected to be completed in November 2017.

Whilst this design is being prepared, DPTI will call for tenders for the main construction works contract.

Construction works are expected to commence in early 2018.

Project updates will be posted on the project website. For more information, visit: http://dpti.sa.gov.au/infrastructure/content/gawler_east_link_road.

If you have any further enquiries, or would like to register your interest in the project, please telephone 1300 282 939 or email dpti.gawlereastlinkroadproject@sa.gov.au.

Yours sincerely

Jon Whelan
