

# Darlington Upgrade Project

## 28 January 2020 – changed traffic arrangements

As part of the Darlington Upgrade Project, the bridge over the Southern Expressway to the Main South Road surface road will be reopened in its final alignment for northbound Main South Road traffic **from 6am Tuesday, 28 January 2020**.

As a result of the bridge reopening, **from 6am Tuesday, 28 January 2020**, the following permanent traffic changes will take place:

- **Flinders Drive:** northbound traffic on Main South Road wanting to travel to Flinders Drive will be switched onto the final alignment via the bridge over the Southern Expressway to the Main South Road surface road (see yellow arrows on the map overleaf).
- **Riverside Drive:** northbound traffic on Main South Road wanting to travel to Bedford Park will be required to position themselves in the right lane just prior to Brookside Road to travel north via the access road and make a right turn into Riverside Drive (see blue arrows on the map overleaf).
- **U-turn at Brookside Road junction:** Bedford Park residents wanting to travel northbound via Main South Road will be able to undertake a u-turn at the Brookside Road junction (see orange arrows on the map overleaf).
- **Franklin Avenue:** access will return to left-in and left-out only (see pink arrows on the map overleaf).

The two-way cycle path located on the bridge over the Southern Expressway to the Main South Road surface road remains under construction, and will be opened at a later date.

Motorists are advised to follow signage on site and take extra care while driving in the changed traffic arrangements.

There are no changes to Public Transport services. Bus stops and pedestrian access will not be affected.

If you have any questions or would like to speak to a member of the project team, please call 1300 759 334 or email: [enquiries@gatewaysouth.com.au](mailto:enquiries@gatewaysouth.com.au)

Thank you for your patience while these important works are undertaken.

Kind Regards,  
Darlington Upgrade Project Team  
22 January 2020
