

Southern Expressway Community Safety Initiatives

Elizabeth Road and Beach Road bridges installation of permanent anti-throw screens

Dear Resident/Business Owner

The Department of Planning, Transport and Infrastructure (DPTI) would like to notify you of weekend works on the Southern Expressway bridges. These works are to install permanent anti-throw screens as part of DPTI's commitment to improve safety along the transport network.

Weekend works will commence on Friday, **7 December 2018** and are expected to be completed by **late February 2019**, weather permitting. Works will generally be undertaken from Fridays at **7:00pm** and finish **on Mondays at 6:00am**

No weekend works will occur over the Christmas period from 22 December until 4 January 2019 and over the Santos Tour Down Under race weekend commencing 18 January 2019.

Beach Road and Elizabeth Road bridges works

Elizabeth Road bridge will be closed to all traffic with local traffic diversions in place **from Friday 14 December 2018 at 7:00pm** until **Monday 17 December 2018 at 6:00am**. These diversions are shown in yellow on the attached map.

Beach Road bridge will remain open with lane and speed restrictions in place.

The Southern Expressway will be closed to traffic between Main South Road, Hackham (Southern End of the expressway) and the Sheriffs Road Interchange.

Motorists travelling south on the expressway will need to exit via the Sheriffs Road Interchange and continue using Main South Road. This diversion is shown in orange on the attached map.

North bound motorists' access to the Expressway will be detoured via Main South Road and will be able to access the Expressway from the Sheriffs Road Interchange. This diversion is shown in blue on the attached map.

Road users are advised to follow the direction of traffic management staff and observe signage and local traffic management arrangements. Pedestrians and cyclists will be detoured to nearby pedestrian bridges or road bridges.

Department of Planning,
Transport and Infrastructure

Existing bus routes will continue to operate as normal and will not be detoured.

Access to businesses and properties will be maintained at all times.

Every effort will be made to minimise noise impacts to nearby residents and businesses. However some noise will be unavoidable during this period.

Traffic conditions will change throughout the scheduled works period. Regular project updates will be posted on the project website <https://dpti.sa.gov.au/sxway> and DPTI social media as the works progress.

Residents and businesses will continue to be updated by individual detailed notifications ahead of all bridge installation works.

If you have any questions or would like to speak to a member of the project team, please call 1300 282 933 or email dpti.regionalbridges@sa.gov.au

For real time roadwork information, download the *Addinsight* app for Apple or Android or visit the Traffic SA website at www.traffic.sa.gov.au

We appreciate your patience and cooperation whilst these important works are undertaken.

Yours sincerely
