

Gawler Rail Electrification Project

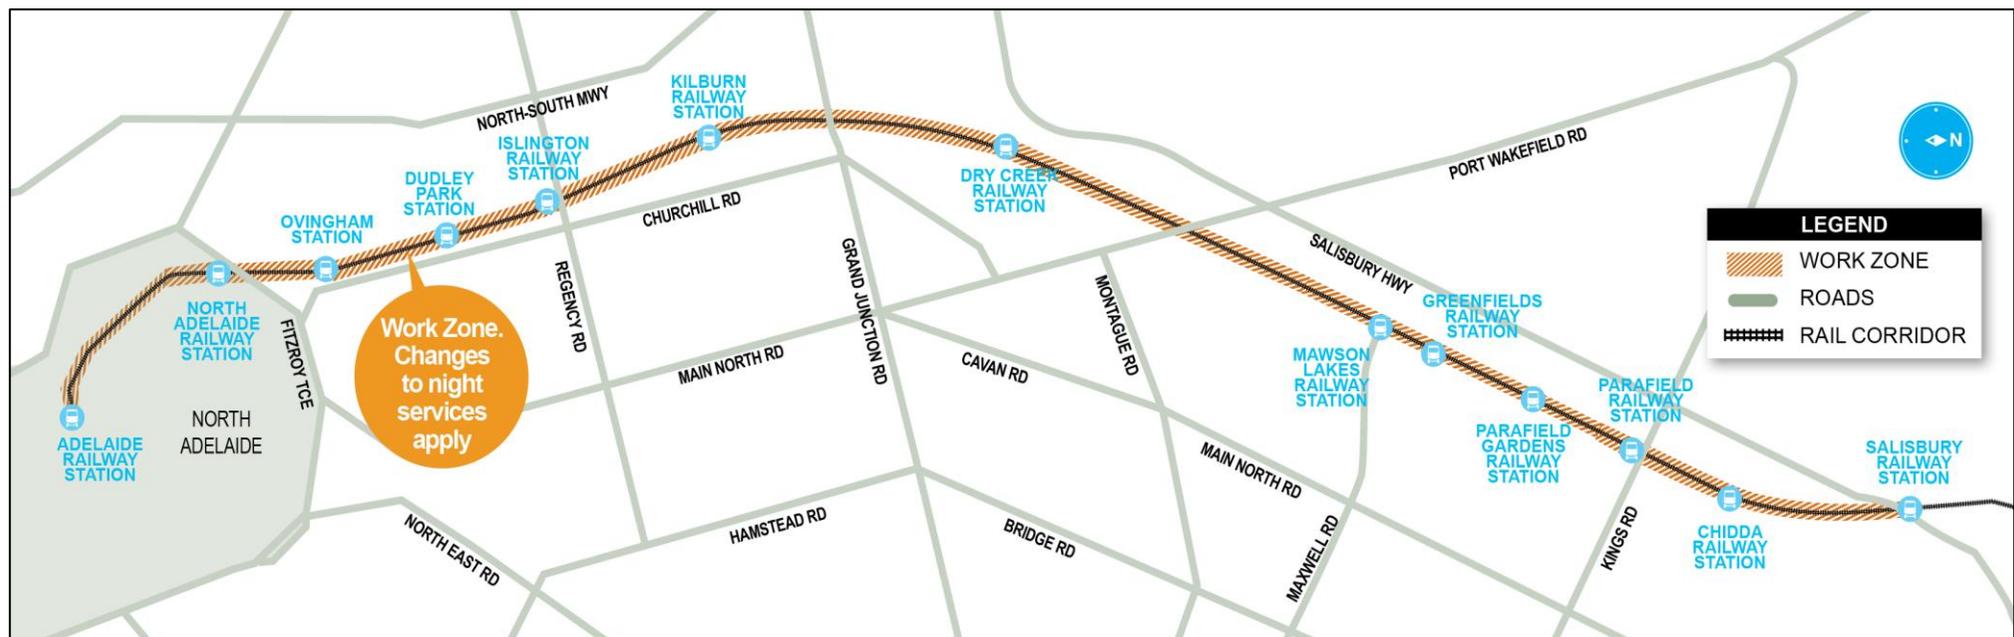

Works Notification

As part of the Gawler Rail Electrification Project, works will be undertaken within the rail corridor between Adelaide and Salisbury Railway Stations.

When: Monday, 16 March for approximately 7 weeks, weather permitting.

Workdays: Monday to Sunday including both day and night works.

Impacts to services: Some passenger services will be impacted by these works, see overleaf for more details.

For further information:

Call: 1300 080 834

Email: dpti.gawlerelectrification@sa.gov.au

Visit: www.dpti.sa.gov.au/grep

Evening service impacts:

- From 9pm, Monday 16, March, evening services, will be replaced with substitute buses between Adelaide and Salisbury Railway Stations.

Gawler Line closure impacts:

- The Gawler Rail Line will be closed between Adelaide and Salisbury Railway Stations after the last service on Friday, 10 April, and will re-open for the first service on Saturday, 25 April, with substitute buses in place.

For details regarding replacement bus services during these works, please refer to Adelaide Metro <https://adelaidemetro.com.au/>

Things you need to know:

- Works will involve trenching within the rail corridor to install underground services for the new signalling system.
- Construction of concrete footings for the installation of overhead wiring structures.
- Local traffic management, including some speed restrictions and temporary restrictions to street parking, adjacent the work areas will be required, please follow signage.
- Site set up will include a small amenity block at various locations within the rail corridor. These will be removed at the conclusion of the works program.
- Access to residential properties and businesses will be maintained at all times.
- Further works will be required in this area to install overhead wiring and fencing. The Project Team will provide more detailed information about this as they are planned.
- Further line closures may be required throughout the project, please register with Adelaide Metro for up to date bus replacement information www.adelaidemetro.com.au

Work crews will make every effort to minimise the disturbance to residents and businesses. Thank you for your patience as we undertake this important project.
