

# Main North Road and Target Hill Road Junction Upgrade, Salisbury Heights

## Night works

### We are improving road safety and accessibility in the northern suburbs

As part of the State Government's election commitments, we are upgrading, or investigating potential upgrades, in the northern suburbs to improve safety, access and to make travel easier for all users.

## What's happening

Works on the junction of Main North Road and Target Hill Road are underway and progressing well.

To minimise traffic impacts, night works are required to be undertaken to complete the next stage of works on Main North Road, adjacent Target Hill Road.

These works will include traffic signal and road lighting installation, and asphaltting works.

## How this affects you

From late June 2025 until mid-July 2025, night works will be undertaken between the hours of 7pm and 6am from Sunday to Thursday. **No night works will be undertaken on Friday or Saturday nights.**

There will be intermittent lane restrictions on Main North Road throughout the project area, with speed restrictions in place.

Lane restrictions will be lifted outside of night work hours, with speed restrictions remaining in place as required.

Please drive with care, follow the directions of traffic controllers, and observe signage when travelling through the area.

Access to properties will be maintained. Advance notice will be provided if there is a need to temporarily restrict driveway access.

### When

Late June 2025 to mid-July 2025, weather permitting

### Hours of Work

#### Day works

Monday to Saturday  
Between 6am and 7pm as required

#### Night works

Sunday to Thursday  
Between the hours of 7pm and 6am

### Where

Main North Road adjacent Target Hill Road, Salisbury Heights

## OFFICIAL

Pedestrians and cyclists, please be cautious when passing through work zones. Some areas might have limited access for safety, with signage in place to guide you to alternative routes.

Bus stops in the area might be affected for a short time. Please pay attention to the signs at the bus stops and check the latest updates at [adelaidemetro.com.au](https://www.adelaidemetro.com.au) for more information.

During the works, there may be some noise and dust from time to time, but we'll do our best to keep the disruption to a minimum.

Thank you for your patience while these important works are undertaken.
