

North-South Corridor

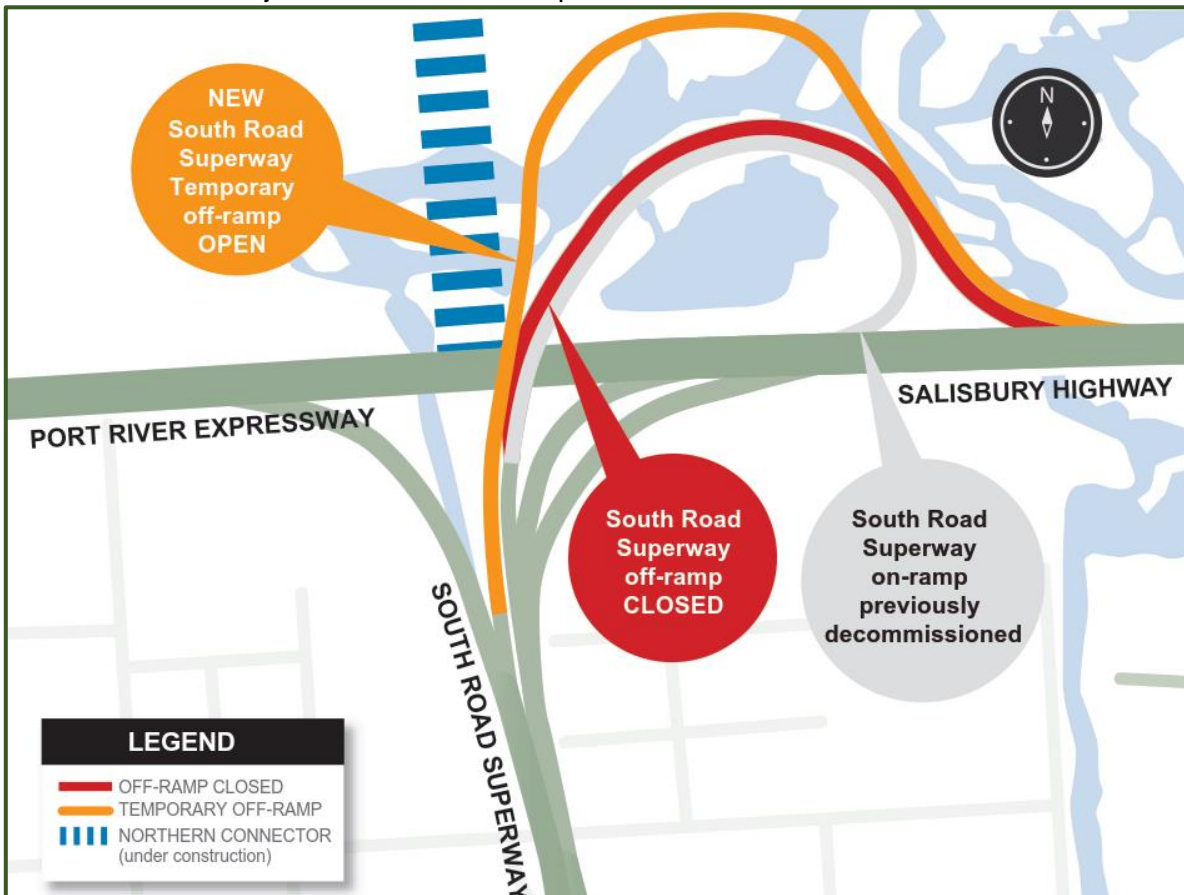

Northern Connector Project

South Road Superway temporary off-ramp change

From 5am Monday 6 May, the new temporary South Road Superway off-ramp to Salisbury Highway will be opened, maintaining access for northbound traffic travelling on the South Road Superway.

This temporary off-ramp is required to facilitate the construction staging of the Southern Interchange, which, when complete, will provide access to the Northern Connector, Port River Expressway, South Road Superway and the Salisbury Highway.

The Northern Connector Project is on track for completion late 2019.

Signage will be in place to advise motorists of changed conditions. Please follow directional signage.

More information: To sign up for traffic updates, please contact the Project Information Line on 1300 916 221 or email your contact details to northernconnector@lendlease.com.
