

Golden Grove Road Upgrade Project – Stage One

Asphalt Works Notification

The Department for Infrastructure and Transport (the Department) advises that day and night works will be undertaken at various locations along Golden Grove Road between Hancock Road and One Tree Hill Road.

Timing of works: asphalt works will involve both day and night works along Golden Grove Road between Hancock Road and One Tree Hill Road.

Day works: will continue from **Monday, 2 November 2020** for approximately four weeks, weather permitting. The majority of works will be undertaken each day **Monday to Saturday, between 7am and 5pm.**

Night works: are expected to commence from **Sunday, 1 November 2020** for approximately four weeks. In order to minimise traffic impacts and to ensure the works can be completed safely and efficiently, night works will be conducted **between 6pm and 7am.** There will be no works scheduled for Saturday nights.

Road Closure: the section of Greenwith Road, from approximately 60 metres east of Golden Grove Road (adjacent the Greenwith Uniting Church) to Golden Grove Road is scheduled for closure from **6pm Sunday, 1 November 2020 until 6am Monday, 2 November 2020,** weather permitting. Detours will be in place during road closure (*please refer to map provided*).

What to Expect:

A 25 km/h speed restriction will be in place while workers are on site. Lane and other speed restrictions may apply, subject to onsite conditions. Please plan ahead and allow extra travel time, take extra care when workers are on site, and observe speed, lane restrictions and signage when travelling through the area.

Access to properties will be maintained during these works, however at times this will be under the assistance of traffic controllers. Every effort will be made to minimise impacts to surrounding properties and road users, as much as practically possible.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours.

An asphalt profiler, tippers, compaction equipment and lighting towers will be used during these works. Some noise disturbance can be expected at times while these works are completed, however the works will be managed to minimise disruption as much as practically possible.

Please note that during these works bus stops along Golden Grove Road may require temporary relocation, however public transport services will remain operational. Advance notice of any temporary changes will be provided at bus stops and on the Adelaide Metro website www.adelaidemetro.com.au

Further information:

Construction completion of the Golden Grove Road Upgrade Project – Stage One is scheduled for late 2020.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email: dit.ggrup@sa.gov.au
