## Freedom of Information Statement

July 2021

**Government of South Australia**

Department for Infrastructure  
and Transport

## INTRODUCTION

This statement is published in accordance with section 9 of the *Freedom of Information Act 1991* (the Act). The Act gives members of the public a legally enforceable right to access information held by the South Australian Government, subject to certain restrictions.

The Internet site Department for Infrastructure and Transport (the department) [www.dit.sa.gov.au](http://www.dit.sa.gov.au) provides an overview of the roles and functions of the department. It also contains media releases, publications and various news items.

A comprehensive introduction to freedom of information can be found on the State Records website at <http://www.archives.sa.gov.au/content/foi-in-sa>.

## Structure and Functions

The department's structure and functions can be found in the latest copy of the [Annual Report](#).

## COMMUNITY ENGAGEMENT

### Working together to connect the people and places of South Australia

The department manages a diverse range of government services which impact the lives of more than a million South Australians every day. The department works as part of our community to deliver efficient transport and social and economic infrastructure.

This is done by harnessing the diversity of our purposes and our people to improve the lifestyle of all South Australians. By working together we capitalise on a unique and powerful opportunity to connect with every part of our community and deliver positive outcomes every day.

### Community Consultation

The department is committed to open, responsive and accountable government. The community is invited to provide feedback on projects and any issues through the department [contact us page](#) or on the various transport and infrastructure project websites.

Project community engagement occurs through community surveys, community liaison sessions and promotional activities.

## BOARDS AND COMMITTEES

### **Mount Barker Infrastructure Advisory Committee**

The Advisory Committee provides advice to the Minister on the timely construction of the District Council (DC) Infrastructure to ensure the orderly and efficient development of the Mount Barker Development Plan Amendment (DPA) area.

### **Passenger Transport Standards Committee**

The Passenger Transport Standards Committee (PTSC) is a statutory committee, established under the *Passenger Transport Act 1994*. The PTSC determines the fitness and propriety of people seeking to obtain or renew their accreditation and to adjudicate in matters relating to a breach of the Passenger Transport Act and Regulations.

### **Port Adelaide Container Terminal Monitoring Panel**

The panel reviews the performance of the Port Adelaide Container Terminal and reviews compliance with performance measures for the Terminal.

### **Road User Safety Advisory Committee**

The Road User Safety Advisory Committee is responsible for providing strategic advice to government on road user safety initiatives across South Australia, including prioritisation of road infrastructure, safety advertising campaigns and grant programs.

### **South Australian Boating Facility Advisory Committee**

The South Australian Boating Facility Advisory Committee is established pursuant to the Harbors and Navigation Regulations 2009. The Committee advises the Minister for Transport on matters affecting the development of boating facilities in South Australia, the amount of the facilities levy that should be imposed and the application of the facilities fund.

### **South Australian Public Transport Authority (SAPTA) Advisory Board**

The SAPTA Advisory Board provides advice to the government regarding the strategic direction of public transport initiatives, to deliver a customer first focus and support public transport patronage growth in South Australia.
