

The Department is committed to delivering a holistic design solution that creates an elegant local landmark, respectful of heritage and place.

### Project benefits

- 100 year design life.
- Social and economic benefits to the region.
- Disability access compliance.
- Improved pedestrian amenity.
- Uninterrupted, reliable access to Granite Island.
- More efficient and full access for emergency services.

### Design considerations

- New fox gate installed to protect local fauna.
- Continuation of the historic horse-drawn tram operations, removing the restrictions due to the condition of existing Causeway.
- Reuse timber in repairs, public art, decking, interpretive signage elements and street furniture.
- Installation of a new and improved boat ramp.

## Ngarrindjeri-Ramindjeri Artists Design Motifs

- Integrated Indigenous artwork to acknowledge the cultural significance of the region and celebrate the Ngarrindjeri-Ramindjeri Dreaming stories.
- The Ngarrindjeri-Ramindjeri etchings explore Kondoli Dreaming and Ngurunderi Dreaming stories.
