Task	Discussion	Action
1. Welcome and Apologies	Apologies: Matt Pearson (Tonsley Hotel), Alan Brodie (McDonalds), Simon Hope (Zone 4), Suzi Morphett (Zone 3), Reynold David (Zone 1), Raelene Telfer (City of Marion), Tony Kershaw (Zone 4), Yvonne Todd (City of Mitcham),	
2. Review Minutes of Previous Meeting	Minutes from Meeting (11 October 2018) reviewed and endorsed.	
3. Review Business Arising From Minutes	<p>Simon</p> <ul style="list-style-type: none"> Lloyd Street traffic has increased due to the temporary closure of Brookman Avenue Will there be open event at the end of the project 'project opening AH advised there will be an opening event for the project. Requested that AH email the St Marys access plan that was presented at the last meeting as he wasn't present. <p>Suzi</p> <ul style="list-style-type: none"> Will the traffic signals at Birch Crescent have sensors/detectors when installed? AH advised that yes, the signals will have detectors when installed later next year. When the asphaltting works were being undertaken on the western side of Sturt Road a few weeks ago the traffic management was very poor. Traffic controllers were standing around and not directing traffic and it was very difficult to access/egress at Birch Crescent/Sturt Road. This was very disappointing considering we were assured at the previous meeting that that the traffic controllers would assist with access. AH to follow up. ACTION 	<p>CLOSED</p> <p>CLOSED</p>

	<p>John</p> <ul style="list-style-type: none"> • Traffic on Brookside Road is banking up past McDonalds as a result of the traffic signals that have been installed. SS advised that the intersection is currently operating in an interim arrangement and the project team is investigating measures to improve its functionality in the interim. • Can there be a left turning lane out of Brookside Road by acquiring some land from the Shell service station? SS advised this is not an option that is being explored. • Have the businesses in the area, including McDonalds and Shell, been informed of the works/changes? AH advised that the project have been working very closely with all businesses. SS also advised we are working hard to complete the southern section of the project and move out of this area of the project as quickly and safely as we can. 	CLOSED
<p>4. Project Update</p>	<p>Greg Zani provided the below update:</p> <ul style="list-style-type: none"> • 60% of excavation works for the lowered motorway are complete. • Construction of the off-ramp for bridge three (Main South Road bridge to the lowered motorway) is ongoing • Construction of the on-ramp for the Ayliffes Road Bridge is ongoing. • Ayliffes Road bridge 80% complete, last two girders to be installed in December. • Sturt Road bridge now open to traffic • Mimosa/ Sutton bridge open under traffic restrictions • Tonsley bridge super T beams installed over the next two weekends. • Two more traffic switches to occur this year, this to allow for the construction of Ayliffes Road bridge <p>Works upcoming in 2019</p> <ul style="list-style-type: none"> • Ongoing excavation of lowered motorway • Partial lowered motorway coming online for southbound traffic • Flinders drive extension and signals at the intersection of Sturt Road/ Birch Crescent • Ayliffes Road bridge opens for traffic • Main South Road surface roads • Landscaping • Completion of Tonsley bridge 	
<p>5. Flinders Link Update</p>	<p>Neil Welsh provided the below update:</p> <ul style="list-style-type: none"> • Working through community feedback received into the design • Reviewing impacts to local residents, what the passenger view will be from the train, sight, noise etc. • City of Marion and DPTI working together regarding shared uses path between current Tonsley station to Clovelly Park station • No contractor awarded as yet <p>John - with removing Tonsley station Park and Ride, where will people going to park? It's very strange to not provide/ reinstate parking. Also parking at Clovelly station shortly to also be removed. NW advised there will be no parking at where the current Tonsley station and the new Flinders station. NW also advised at a new Clovelly station is out of the project scope.</p> <ul style="list-style-type: none"> • Completion of Flinders Link early-mid 2020. 	
<p>6. Round The Table</p>	<p>Bruce</p> <ul style="list-style-type: none"> • Temporary U-turn at Riverside Drive now closed to allow for works to be completed in the southern zone. GZ advised that U-turn will be installed early in 2019 	

	<ul style="list-style-type: none"> • Bridge over Southern Expressway (Bridge 2) footpath stops halfway up. GZ advised this is temporary as the final designs once lowered motorway is open will be one lane of traffic for northbound traffic, with footpath and bike lane. • Flinders Drive in peak times is very difficult to exit, signage is not clear enough. GS to review signage at Flinders Drive intersection ACTION • Long wait time at the intersection of Flinders Drive and MSR out of Flinders Drive for right out northbound. SS advised that green time during peak time is given priority to MSR traffic. • Driving last Tuesday morning was difficult when the roads were wet with line marking being. GS will review the line marking ACTION • Landscaping on the Torrens to Torrens (T2T) project has been in the media lately, reported that very minimal landscaping to none being done. Would like to make sure this doesn't happen on the Darlington Project. SS advised that the T2T project isn't complete with not the best time of year to undertake planting • Pedestrian underpass, under MSR requires cleaning with lots of mud after recent weather. AH advised that local councils are responsible for the care of this path. AH advised that will follow up with council ACTION <p>Irene</p> <ul style="list-style-type: none"> • Still having issues when turning out of Mimosa Avenue and knowing what the speed limit is. AH to follow up with traffic management team ACTION <p>John</p> <ul style="list-style-type: none"> • Existing Brookside Road onto Main South Road still having banking of traffic due to the lights. AH and SS advised the junction is still operating in an interim arrangement due to ongoing construction of the project. <p>David</p> <ul style="list-style-type: none"> • Some movement with City of Marion and the chair of Tonsley development, information sent to local member regarding Selgar Avenue access issues. <p>Lindy</p> <ul style="list-style-type: none"> • Update on the fencing for Ragless Reserve. AH advised that onsite meeting is occurring tomorrow (23 November) with City of Mitcham and Gateway South, fencing to be completed by end of the year. • Lindy advised that this will be her last meeting she will attend. City of Mitcham will notify the project who will be the new attendee. <p>Daryl</p> <ul style="list-style-type: none"> • Bus stop in front of Adrien Brian's not working, traffic banking when bus is stopped. <p>Amie</p> <ul style="list-style-type: none"> • Project site shutdown over Christmas and New Year from Friday 21 December – returning Monday 7 January 2019 • Project 1300 phone will be available for any concerns over the site shutdown 	<p>ACTION GS</p> <p>ACTION GS</p> <p>ACTION GS</p> <p>ACTION GS</p> <p>ACTION GS</p>
<p>7. Meeting closed and next meeting</p>	<p>Meeting closed: 7:30pm Next meeting Thursday 31 January 2019, 6:30pm – 8.30pm.</p>
