

Port Wakefield Overpass and Township Duplication Project - Concept Design

Proposed treatments include:

- A new two lane overpass (one lane in each direction) for traffic travelling southbound from the Copper Coast Highway to Port Wakefield (one lane), and for traffic travelling along the Augusta Highway to the Copper Coast Highway (one lane).
- Two lanes in each direction through the Port Wakefield Township.
- Increased parking and landscaping opportunities.
- A realigned Balaklava Road intersection with Port Wakefield Highway.
- New and upgraded street lighting with LED luminaries.
