Hon Kyam Maher MP
Parliament House
North Terrace
Adelaide SA 5000

Dear Hon Kyam Maher MP,

**NOTICE OF DETERMINATION - REQUEST FOR ACCESS TO DOCUMENTS
UNDER THE FREEDOM OF INFORMATION ACT 1991**

I refer to your application made under the *Freedom of Information Act 1991* (the Act) which was received by the Department of Planning, Transport and Infrastructure on 10 July 2018.

You have requested access to:

"A list of all Freedom of Information requests received from the Liberal Opposition between 17 March 2014 and 16 March 2018."

I wish to advise you that there are three documents within the scope of your request. I have determined to release to you all documents in full. Please note that I have included all MPs, not just Liberal Party members.

Attached is an explanation of the provisions of the Act which details your rights to review and appeal this determination, and the process to be followed.

In accordance with Premier and Cabinet Circular PC045, if you are given access to documents as a result of this FOI application, details of your application, and the documents to which access is given, will be published in the agency's disclosure log. A copy of PC045 can be found at <http://dpc.sa.gov.au/what-we-do/services-for-government/premier-and-cabinet-circulars>.

Should you have any enquiries concerning your application please contact

Yours sincerely,

Sam Rodrigues
Accredited Freedom of Information Officer

FREEDOM OF INFORMATION ACT 1991

YOUR RIGHTS TO REVIEW AND APPEAL

INTERNAL REVIEW

If you are dissatisfied or concerned with the decision of this Department regarding access to documents or the request for amendment to your personal records, you can apply for an Internal Review of that decision.

To apply for an Internal Review you must write a letter addressed to the Principal Officer or lodge an Internal Review application form with the Principal Officer of this Department. The legislated application fee must accompany all applications, unless the fee was waived in the original Freedom of Information application, in which case there would be no fee payable for the application. The application must be lodged within 30 days after being notified of the decision.

The Department will undertake the Internal Review and advise you of its decision within 14 days of receipt of the application.

Where the decision was made by the Minister or Principal Officer of the Department, you are unable to request an Internal Review but you can apply for an External Review by the Ombudsman, or the District Court.

You are unable to apply for an Internal Review regarding a decision to extend the time limit for dealing with an application but you can apply for an External Review.

EXTERNAL REVIEW BY THE OMBUDSMAN OR THE POLICE COMPLAINTS AUTHORITY

After an Internal Review has been completed, or where you have been unable to apply for an Internal Review, and you are still dissatisfied with the decision you can apply for an External Review by the Ombudsman.

You may also request an External Review by the Ombudsman if you have no right to an Internal Review.

The application for review by the Ombudsman should be lodged within 30 days after the date of a determination. The Ombudsman's Office, at their discretion, may extend this time limit.

Investigations by the Ombudsman are free. Further information is available from the Office of the Ombudsman by telephone on 8226 8699 or toll free 1800 182 150 (within SA).

APPEAL TO THE SOUTH AUSTRALIAN CIVIL AND ADMINISTRATIVE TRIBUNAL (SACAT)

If you are still dissatisfied with the decision made by the State Government Agency, Local Government Council or University after an Internal Review or after a review by the Ombudsman or, you can appeal to SACAT.

You must exercise your right of appeal to SACAT within 30 calendar days after being advised of the determination or the results of the review. Any costs will be determined by SACAT, where applicable. For more information, contact;

South Australian Civil and Administrative Tribunal (SACAT)

Phone: 1800 723 767

Application	Please provide documents created in regards to fraud as noted in the Annual Report Taken from the 2015 report for FOI reference: Fraud In accordance with Public Sector Regulation (2010) there were three instances of fraud confirmed during the year. One instance involved unauthorised access to a departmental system, another to falsification of timesheet records with disciplinary action taken in both instances. The third involved the inappropriate accumulation of reward points for personal benefit, with the case currently being finalised. In addition to direct disciplinary action taken, the department continues to assess and test controls as part of its internal audit processes. Recommendations for improvement in the affected areas have been, or will be, issued and monitored. The department’s fraud control framework strategies for fraud prevention, detection, investigation, awareness, training and reporting, based on the Australian Standard 8001–2008 Fraud and Corruption Control will continue to be improved and strengthened during 2015-16, with the department continuing to promote appropriate behaviour in line with Code of Ethics for the South Australian Public Sector. financial years:

Freight Access Road Projects
Improving Critical Road infrastructure
Intersection Crashes Program
Strategic Route Reviews
Small Projects

I also request the same information (as described above) for the following annual projects over the same period:

Asset Improvement
Asset Management

Re-scope required

Re-scope confirmed 28/6/17

"I request copies of all financial plans, budgets and forecasts relating to the following projects for the 2015-16 and 2016-17 financial years:

Improving Critical Road infrastructure
Intersection Crashes Program
Strategic Route Reviews
Small Projects"

To be certain, we are not asking for all correspondence and related documents, but the financial plans, budgets and forecasts specifically.

The department has previously provided a breakdown of the capital works program as a single budget detailing multiple project; if this is not the same for the above project, that would be helpful to know so we can amend our request as appropriate.
