Please call your dedicated 1300 number for changes to your booking at any time and please advise this office if you do not use your ticket so that we may rebook or process a refund if applicable.

### Check In (Domestic)

For domestic flights departing from Australian domestic terminals make sure you have checked in by the checkin deadline specified in your airline documentation, or if no deadline is specified, then at least 45 minutes prior to your scheduled departure time. Failure to do so may result in cancellation of your reservation.

### Contact Details

Please provide local phone contact numbers for stopover cities.

### Electronic Tickets

Photo Identification is required when travelling on an electronic ticket. Failure to ensure the full booking name matches the photo identification may result in cancellation fees and/or loss of reservation.

### No Show / Cancellation Fees

No show and cancellation fees may apply to hotels and car rental bookings on your itinerary. Generally hotels and car rentals need to be cancelled at least 24 hours prior to checkin, so please notify the relevant service provider if you will not be able to use the booking in order to minimise any fees that may be payable.

### Passenger Security

What items can I pack in my carry-on baggage?

Some countries have made changes to security measures at airports. If you are travelling in any of these countries, these measures will affect what you can carry on board an aircraft on international flights.

## Ticketing Policy

Our QBT business standard is to issue airline tickets 1 business day prior to the airline time limit advised on your itinerary and inside your online booking tool. This is to help ensure there are safeguards to protect for challenges such as when credit cards decline.

When there are instances of multiple tickets and multiple airline ticketing dates, QBT will issue all tickets in accordance with the earliest date shown.

Please note there may be instances where QBT will need to issue your ticket earlier than the recommended date. For example, when airlines request that ticketing occur earlier than the recommended ticketing time limit.
