

North-South Corridor

Northern Connector Project

December 2017

Port River Expressway – speed restrictions 7am to 7pm

As part of the Northern Connector Project the Department of Planning, Transport and Infrastructure (DPTI) advises there will be additional speed restrictions along the Port River Expressway between Hanson Road and the Salisbury Highway.

From Thursday 7 December 2017 speed will be reduced to 60km/hr, between the hours of 7am and 7pm Monday to Saturdays for east bound traffic only (refer map).

Further speed restrictions may be required subject to on site conditions.

Traffic will be maintained in both directions at all times. Signage and traffic management will be in place to advise motorists of changed conditions.

Please note, the Port River Expressway will return to normal traffic conditions from 7pm Friday 22 December 2017 with speed restrictions resuming Tuesday 2 January 2018 to accommodate the Southern Interchange works.

Thank you for your patience while these important works are undertaken.
