

# North-South Corridor

## Northern Connector Project

July 2018

### Port Wakefield Road and Northern Expressway night works and DETOURS

As part of the Northern Connector Project, the Department of Planning, Transport and Infrastructure advises that works will be undertaken on Port Wakefield Road and the Northern Expressway, Waterloo Corner. The works will be carried out over 2 nights for new line marking - **detours will be in place.**

#### **Night One: Saturday 21 July 2018, between 5pm and 5am**

**Location:** Port Wakefield Road southbound between the Northern Expressway on-ramp and Calvengrove Road will be closed, the Northern Expressway off-ramp to Port Wakefield Road will also be closed.

**Traffic management:** Access to Port Wakefield Road will be maintained via detours from the Northern Expressway and the Heaslip Road exit (refer to Night One map).

#### **Night Two: Sunday 22 July 2018, works between 5pm and 5am**

**Location:** Port Wakefield Road south bound will be closed between the Northern Expressway's on and off ramps.

**Traffic management:** Access to Port Wakefield Road southbound will be maintained via a detour onto the Northern Expressway and the Heaslip Road exit (refer to Night Two map).

Speed and lane restrictions will apply in the vicinity of the works. Signage and traffic management will be in place to advise motorists of changed conditions and to direct motorists through the detour.

**Following these works, southbound traffic on Port Wakefield Road between Brown and Calvengrove Roads will operate under a 60km/h speed restriction to safely accommodate the construction of the Northern Interchange.**

Thank you for your patience while these important works are undertaken.

**More information:** To sign up for traffic updates, please contact the Project Information Line on 1300 916 221 or email your contact details to [northernconnector@lendlease.com](mailto:northernconnector@lendlease.com).
