

Flinders Link Project

Sturt Road and Birch Crescent

As part of the Flinders Link Project, works are required to commence from 5am, Thursday, 19 December at the corner of Sturt Road and Birch Crescent.

Due to the extreme weather forecast, there is a requirement for some critical project activities to be undertaken outside of the standard working hours. This is necessary for the safety of our workers and also for quality requirements.

Some noise disturbance can be expected at times while these works are undertaken however, the work will be managed to minimise disturbance to local residents as much as possible.

If you have any questions or would like to speak to a member of the project team please contact us on 1300 928 345 or email: dpti.flinderslink@sa.gov.au

Thank you for your patience while these important works are undertaken.

Kind regards,

Flinders Link Project Team
