Dear Sir or Madam,

NOTICE TO RESIDENTS/ BUSINESSES

In early 2019 the Australian and South Australian Governments announced funding for the duplication of Victor Harbor Road between Main South Road and McLaren Vale, linking to the McLaren Vale overpass.

Detailed planning to ascertain the preferred option to upgrade this road has commenced, with the contract for the planning study awarded to Aurecon.

The Department of Planning, Transport and Infrastructure is seeking to better understand community issues and concerns. We encourage you complete the survey at yoursay.sa.gov.au/vharborduplication as your response will help to inform the design and project outcomes. Alternatively you may wish to complete the feedback form enclosed.

If you would like to meet a member of the project team you are also welcome to pop by to one of our drop in community information sessions at:

- Seaford Central Shopping Centre - Thursday 12 December 2019 between 5pm and 8pm
- McLaren Vale Central Shopping Centre – Saturday 14 December 2019 between 10am and 1pm
- Aberfoyle Hub Shopping Centre - Monday 16 December 2019 between 1pm and 4pm.

We have also enclosed a fact sheet for your information. Should you have any concerns or questions in the meantime, please contact DPTI's Community Engagement team on 1300 794 880 or email DPTI.CommunityRelations@sa.gov.au.

Thank you for your co-operation.

Yours sincerely,

DPTI Community Engagement team
