

Adelaide Hills Productivity and Road Safety Package

Maintenance Works – Kangarilla Road

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region.

The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

What's happening

We are undertaking maintenance works including roadside tree trimming and culvert cleaning on Kangarilla Road at multiple locations between Clarendon and Kangarilla.

How this affects you

To keep everyone safe there will be changes to traffic conditions while works are underway.

Speed and lane restrictions will be in place in the areas we are working during work hours. Outside of work hours all traffic restrictions will be removed.

Please plan your trips accordingly and follow traffic management directions while works are in progress.

Access to properties will be maintained at all times. Should temporary property access restrictions be required, impacted residents will be contacted directly in advance.

Thank you for your patience and understanding while we complete this important work.

When

Monday, 14 April 2025, until early June 2025, weather permitting.

Hours of work

Between 7am and 5pm

Monday to Friday

Some weekend work may be required, however no work will occur during the Easter long weekend.

Where

Kangarilla Road, between Clarendon and Kangarilla
