

Gawler East Link Road Project

Bridge Works Notification

As part of the Gawler East Link Road Project, the Department of Planning, Transport and Infrastructure (DPTI) advises works will be undertaken in the coming months to progress the construction of the new South Para Bridge.

Dates: From mid-June to late October 2019.

Workhours: Day works between 7.00am and 4:30pm Monday to Friday, including some weekend day works (one weekend will be required for the delivery of Super T beams date TBC).

Traffic Management: Trucks will access the river site via Eckerman Avenue with speed restrictions, signage and traffic management in place to advise motorists of changed conditions.

All other vehicle access shall remain the same.

Activities will include:

- Delivery of pre-cast walls, Super T beams, concrete and other construction materials.
- Installation of bridge abutments and Super T beams.
- Concrete pours of the bridge piers, headstocks and decks.
- Please note truck movements will increase at various times throughout the works along Eckerman Avenue particularly when concrete is being poured.
