

# Flagstaff Road Upgrade Project

## Upcoming night works and temporary detour

The Department for Infrastructure and Transport (the Department) is upgrading Flagstaff Road, between Hyland Avenue and Bonneyview Road. The South Australian government has committed \$32.9 million to deliver this program of work, which will improve travel times, capacity and safety for all users. The upgrade involves the installation of a fourth lane to make it a permanent two-way carriageway.

Bulk excavation work to accommodate the construction of the fourth lane has been completed. Over the coming weeks the following works will be undertaken:

- installation of road lighting;
- installation of an Intelligent Traffic System (ITS), a system that monitors traffic and road conditions;
- installation of drainage; and
- asphalt placement.

In order to minimise the impact to road users, night works will be undertaken **between Sunday 12 December and Wednesday, 22 December 2021, weather permitting**. The work will be carried out Sunday to Friday between 8pm and 5:30am.

This work will also require the temporary **closure of Flagstaff Road, between Hyland Avenue and Bonneyview Road**. Vehicle and cyclist access will be closed from 8pm. The road will re-open at 5:30am each morning. Local access will be maintained at all times.

Please see the maps over the page for traffic, pedestrian, cyclist and local traffic access information during this temporary detour. No works or road closures will occur on Saturday nights.

Day works will also continue from Monday to Saturday, between 7am and 6pm. Flagstaff Road will remain open during day works with speed and lane restrictions in place.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses, as much as practically possible.

There is no change to public transport services. Access for emergency service vehicles will be maintained at all times during these works.

Access to properties will be maintained under all traffic conditions, with advance notice provided if there is a need to temporarily restrict driveway access.

The Department appreciates your co-operation and patience while these important works are undertaken.

For further information please visit [www.dit.sa.gov.au/flagstaffroad](http://www.dit.sa.gov.au/flagstaffroad) contact the project team via email at [dit.flagstaffroad@sa.gov.au](mailto:dit.flagstaffroad@sa.gov.au) or call 1300 059 639.

With Kind Regards,

The Flagstaff Road Upgrade Project Team

BUILDING  
WHAT MATTERS

Vehicle detours during night works from 8pm Sunday, 12 December to Wednesday, 22 December 2021, weather permitting.

**Local vehicle access during night works from 8pm Sunday, 12 December to Wednesday, 22 December 2021, weather permitting.**

Local access to Hyland Avenue, Elly Court and properties from number 2 to 16 Flagstaff Road will be via the southbound lane of Flagstaff Road. Traffic coming from Marion Road and northbound from Main South Road will be required to use the U-turn facility located on Main South Road at Riverside Drive, Bedford Park.

Exit from Hyland Avenue, Elly Court and properties from number 2 to 16 Flagstaff Road for local traffic can also be via the northbound lane of Flagstaff Road.

There is no change to public transport services.

Access for pedestrians and cyclists during night works from 8pm Sunday, 12 December to Wednesday, 22 December 2021, weather permitting.
