

Tea Tree Plaza Park 'n' Ride

Early works notification - concrete pour

Temporary change to work hours

As previously advised, development of the superstructure is underway and to progress these works it is necessary for some longer workdays to undertake early morning concrete pours and associated works.

Early morning concrete pours are scheduled to occur between 4.30am and 7pm on Thursday, 15 June 2023 and Saturday, 17 June 2023, weather permitting.

Weather plays a key role in determining if a concrete pour can proceed on a scheduled date. If the forecast, or actual weather conditions, are not favourable the concrete pour may be rescheduled up to 24 hours either side of the dates notified *without further notice*.

No works will occur on Sundays.

For further information and previous notifications about these works, please visit the project website www.dit.sa.gov.au/tppnr.

If you have any questions, would like to speak to a member of the project team, or register for project updates, please call **1300 288 596**, email dit.engagement@sa.gov.au or visit the project website.

Thank you for your co-operation and patience while these important works are undertaken.

Yours sincerely,
Tea Tree Plaza Park 'n' Ride Project Team
