Dear Mr Pederick

**NOTICE OF DETERMINATION – REQUEST FOR ACCESS TO DOCUMENTS
UNDER THE FREEDOM OF INFORMATION ACT 1991**

I refer to your application made under the *Freedom of Information Act 1991* (the FOI Act) received by this agency on 13 October 2023.

You have requested access to the following:

"Copy of all entries in the diary of Mick Petrovski between 1 April 2022 and 30 September 2023"

As Mr Petrovski commenced on 10 May 2023, this agency has understood the scope of your application to pertain to documents from this date.

There is one (1) document that falls within the scope of your application and is that listed in the attached document schedule.

I have determined to partially grant you access to Document 1.

Documents released in part

Document 1 is released in part with out of scope information, not related to the subject of your application redacted. Calendar entries that relate only to ministerial functions fall within the scope of your request. This is because only documents of an "agency" are disclosable under the FOI Act.

Exemption

I have determined to partially release Document 1 under Section 20(1)(a) and Clause 6(1) of Schedule 1 of the Act which states:

20—Refusal of access

- (1) *An agency may refuse access to a document—*
(a) *if it is an exempt document;...*

6—Documents affecting personal affairs

- (1) *A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).*

Clause 6(1)

Document 1 contains information that this agency considers to be the personal affairs of an individual, the release of which would involve the unreasonable disclosure of their personal affairs. The document includes names of private persons and outside of work appointments, which relate to the personal affairs of the staff member. I consider this an intrusion of the personal life of the affected individual and an unreasonable disclosure of personal information. I therefore determine the information to be exempt from disclosure under Clause 6(1) of Schedule 1 of the Act.

If you are unhappy with this determination you are entitled to apply for an internal review in accordance with section 29 of the FOI Act. To make an internal review application, you can write a letter or send the attached form entitled *Application for Review of Determination* to the Principal Officer of this agency, the Minister for Local Government, Minister for Regional Roads and Minister for Veterans Affairs, the Hon Geoff Brock MP.

In accordance with the requirements of Premier and Cabinet Circular PC045, if you are given access to documents as a result of this FOI application, details of your FOI application, and the documents to which you are given access, may be published in the agency's disclosure log. Any private information will be removed. A copy of PC045 can be found at www.dpc.sa.gov.au/resources-and-publications/premier-and-cabinet-circulars. If you have any objection to this publication, please contact us within 30 days.

Should you require any further information please contact me on telephone (08) 7133 1200.

Yours sincerely

FOI FACT SHEET

Your Rights to Review and Appeal

South Australian Freedom of Information Act 1991

Please read the information in this fact sheet before completing the attached application form

INTERNAL REVIEW

If you are unhappy with a determination made by an agency (includes South Australian State Government Agency, Local Government Council or University) under the *Freedom of Information Act 1991* (FOI Act) in relation to:

- a freedom of information (FOI) application for access to a document, or
- an FOI application for amendment to your personal records

in most cases, you are entitled to apply for an Internal Review of that determination.

Request an Internal Review

An Internal Review must be lodged within 30 calendar days of you receiving advice of a determination that you are unhappy with.

Applications must be made in writing in accordance with Section 29 or Section 38 of the FOI Act or using the attached *FOI Application Form for Internal Review of a Determination* (Internal Review Form).

An Internal Review application must be made to the Principal Officer of the agency that made the determination you are seeking to have reviewed.

How much does an Internal Review cost?

There is an application fee of **\$39.00** that must be paid when you lodge your Internal Review application if your review request is for access to documents.

There is no application fee for an Internal Review of an FOI application for amendment to your personal records.

Agencies generally accept payment by cash, money order or cheque. If you would like to pay by credit card you will need to ask the agency if they are able to accept credit card payments.

If, as a result of an Internal Review an agency changes or reverses a determination so that access to a document is, or will be, given, the agency will refund the Internal Review application fee paid by the applicant, where applicable.

What if I have a concession card or can't afford to pay?

If you are the holder of a current concession card or if you can satisfy the agency that the payment of the application fee would cause financial hardship, the agency must waive or remit (reduce or refund) it.

If you are a concession cardholder you will need to provide evidence e.g. attach a copy of your concession card when you make the application. Alternatively, you will need to give written reasons as to why the payment of a fee would cause you financial hardship.

How long does an Internal Review take?

You will be advised of the outcome of your Internal Review application within 14 calendar days of it being received by the agency.

If the agency does not deal with your Internal Review application within 14 calendar days (or you remain unhappy with the outcome of the Internal Review) you are entitled to an External Review

by the Ombudsman SA. Alternatively, you may apply for a review by the South Australian Civil and Administrative Tribunal (SACAT). See the External Review section below.

When can't I apply for an Internal Review?

If the original application determination was made by the Principal Officer of an agency rather than another accredited FOI Officer within the agency, you cannot apply for an Internal Review. However, you can apply for an External Review by the Ombudsman SA or apply for a review by SACAT.

EXTERNAL REVIEW

After an Internal Review has been completed, or where you are unable to apply for an Internal Review, and you are unhappy with the determination, you have the right to apply for an External Review. All applications for External Review should be made to the Ombudsman SA.

How long will an External Review take and how much will it cost?

If you wish to make an application for an External Review you must do so within 30 calendar days after being notified of the determination. However, the Ombudsman SA can extend this time limit at their discretion. There is no fee or charge for External Reviews undertaken by the Ombudsman.

Contact Details:
Ombudsman SA Phone: 8226 8699 Toll Free: 1800 182 150 (outside metro SA) Email: ombudsman@ombudsman.sa.gov.au

REVIEW BY SACAT

You have a right to apply for a review by SACAT if you are unhappy with:

- a determination not subject to Internal Review
- an Internal Review determination, or
- the outcome of a review by the Ombudsman SA.

You must exercise your right of review with SACAT within 30 calendar days after being advised of the above types of determinations or the results of a review.

Any costs will be determined by SACAT, where applicable.

For more information contact SACAT.
