

Portrush Road Resurfacing

Night works update

We are undertaking road maintenance works on Portrush Road to improve safety and network reliability

What's happening

We have been undertaking road resurfacing works on two sections of Portrush Road:

- Between Payneham Road, Payneham and Albermarle Avenue, Trinity Gardens.
- Between Fisher Street, Tusmore and Sturdee Street, Linden Park.

A work zone map of both locations can be found overleaf.

Due to wet weather impacts, **major works are now scheduled for completion in early July 2025**. Minor works including line marking and adjustment of service access covers will continue until **early August 2025**.

How this affects you

Portrush Road will remain open to traffic at all times

To keep everyone safe, speed and lane restrictions will be in place during work hours. Please plan your trips, observe signage and follow the direction of onsite traffic controllers.

Outside of work hours lane restrictions will be lifted, with speed restrictions remaining in place at all times until all works are complete in early August 2025.

To minimise impacts to road users these **works will continue to be undertaken at night**.

When

Ongoing to early August 2025, weather permitting

Hours of work

Sunday to Friday
between the hours of
8pm and 6am

Where

Portrush Road, between
Payneham Road,
Payneham and Albermarle
Avenue, Trinity Gardens,

There will be some noise from time to time, but we'll do our best to keep noise to a minimum. You may also notice some odours, which is normal during asphalt work.

Access to properties may be impacted at times. Should temporary property access restrictions be required, impacted residents will be contacted directly in advance.

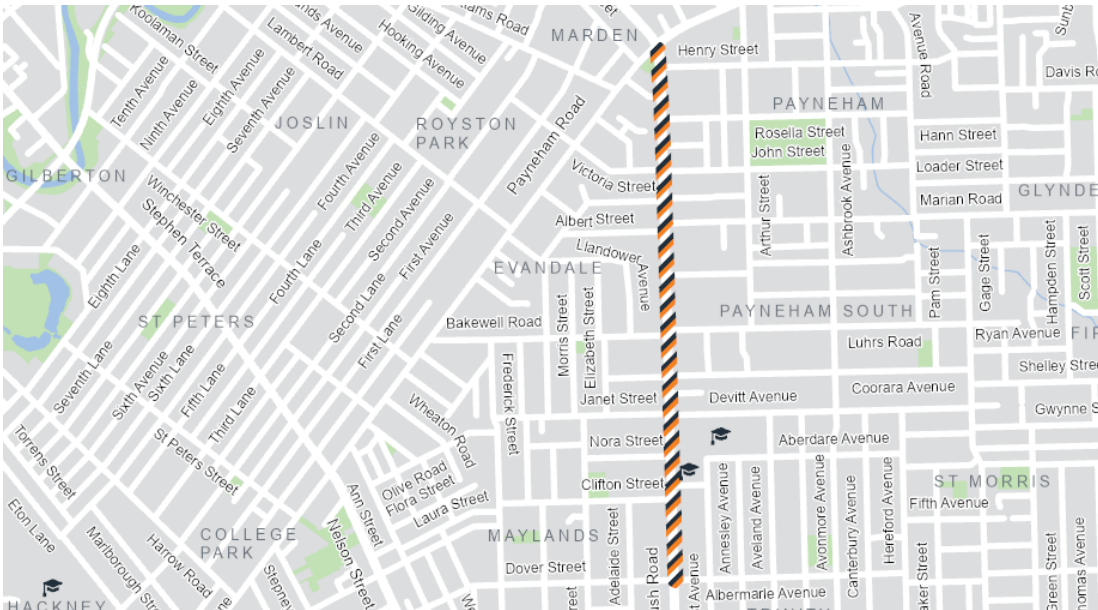

Bus services in the area may be temporarily impacted. Please check the latest updates at adelaidemetro.com.au for more information.

For any traffic management and property access enquiries during night work hours, please contact our contractor, **Fulton Hogan on 1300 103 456.**

Thank you for your ongoing patience and understanding while we undertake these important works.
