

# Wynn Vale Drive and Bridge Road Junction Upgrade

## Works update

### We are upgrading the junction of Wynn Vale Drive and Bridge Road in Gulfview Heights

This forms part of the State Government's election commitments to upgrade, or investigate potential upgrades, in the northern suburbs.

## What's happening

Works at the junction of Wynn Vale Drive and Bridge Road, Gulfview Heights are progressing well.

The next stage of works will include the installation of upgraded stormwater infrastructure. To safely facilitate these works, there will be additional traffic restrictions on Melville Road.

## How this affects you

**Works to install upgraded stormwater infrastructure across Melville Road will be undertaken from Tuesday 5 August 2025 for approximately 2 weeks.** Works will be undertaken at night, with lane closures in place outside working hours to ensure safety. **Between the hours of 6pm and 7am Melville Road, at the junction with Bridge Road, will be closed to all traffic. Local access detours will be in place to guide you to alternate routes.**

**During the day, Melville Road will be reduced to a single lane around the works area.** Two-way traffic will be maintained with traffic controllers on site to guide traffic. Please plan your trips, expect delays and use alternative routes where possible.

We would like to thank the community for your patience during these critical works.

#### When

From Tuesday 5 August 2025 for approximately two weeks, weather permitting

#### Hours of work

Monday to Saturday

#### Day works (Bridge Road)

Between the hours of 7am and 6pm

#### Night works

Between the hours of 6pm and 7am
