

North-South Corridor

Northern Connector Project

June 2018

Port River Expressway - weekend works and speed change

As part of the Northern Connector Project, the Department of Planning, Transport and Infrastructure (DPTI) advises that weekend works will be undertaken on the Port River Expressway between Hanson Road and Salisbury Highway.

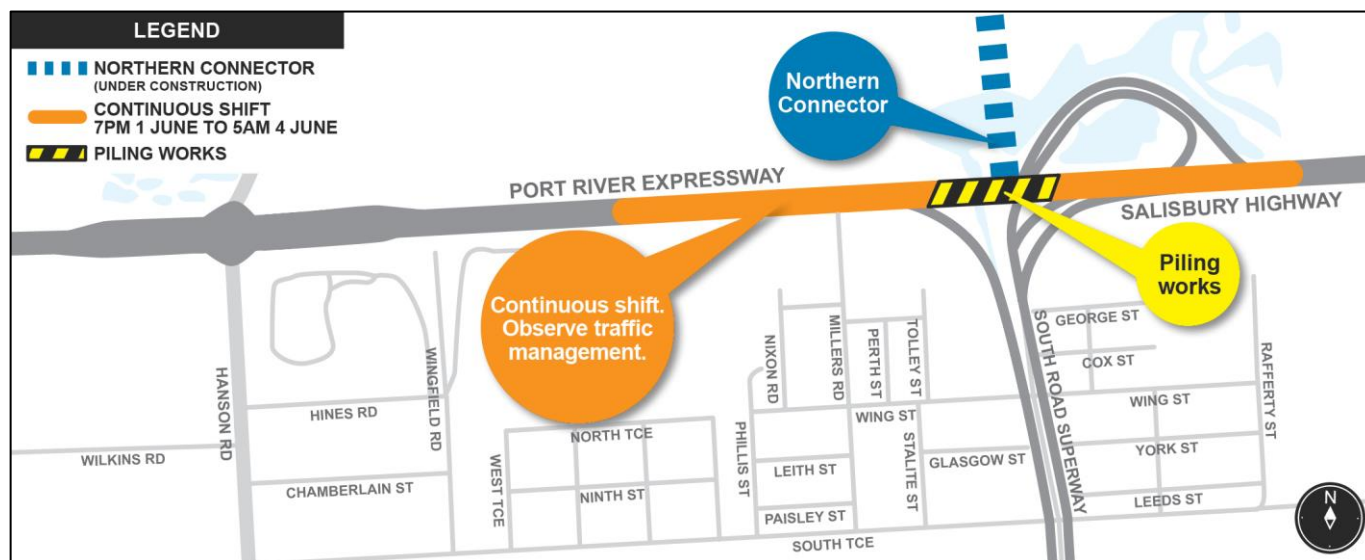

Location: The Port River Expressway, in the vicinity of the South Road Superway (refer to map below).

Work hours: From 7pm Friday 1 June as a continuous operation concluding Monday 4 June at 5am, weather permitting.

Activities: Installation of piles for the construction of the new bridge that will connect the South Road Superway to the Northern Connector.

Traffic management: Traffic will be reduced to a **single lane in each direction** under managed traffic conditions. Signage and traffic management will be in place to advise motorists of changed conditions. Delays may be experienced so please plan ahead.

Following these works, traffic in both directions will operate under a 60km/h speed restriction to safely accommodate Northern Connector construction works.

Thank you for your patience while these important works are undertaken.

More information: To sign up for traffic updates, please contact the Project Information Line on 1300 916 221 or email your contact details to northernconnector@lendlease.com.

For real time roadwork information visit www.addinsight.com.au/app and download the app, available for both Apple and Android, or visit the Traffic SA website at www.traffic.sa.gov.au.
