Gorge Road and Silkes Road Junction Upgrade

Change of works date - due to recent weather conditions

Dear Resident / Business Owner,

The Department for Infrastructure and Transport (the Department) is improving safety and traffic flow at the junction of Gorge Road and Silkes Road, Paradise. This $3.6 million project is being delivered by the State Government to improve safety for all road users.

Due to recent weather conditions, the final stage of asphalting works were postponed. These works will now be undertaken on **Friday, 19 November 2021**, **between 7pm and 6am, weather permitting.**

In the event of inclement weather these works will be rescheduled to Friday, 26 November, between 7pm and 6am.

A temporary road closure will be in place at the Gorge Road junctions with Silkes Road and Pattinson Road between **9:30pm and 5:30am** while these works are undertaken. Please see map overleaf for detour details.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and detours. Every effort will be made to minimise impacts to the community.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

There is no change to public transport services.

This project is expected to be completed late 2021, weather permitting.

The Department appreciates your patience while this important work is undertaken.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email: DIT.CommunityRelations@sa.gov.au

Kind regards,
