

Penola Northern Bypass Project

Dear Business Owner / Operator,

As a local business Owner / Operator in Penola, we would like to invite you to complete the enclosed Penola Northern Bypass Project Business Survey.

Completion of this survey will:

- Help us to understand your business operations and take these into consideration when planning our construction schedule and related activities, to minimise any impacts wherever possible.
- Help us to identify opportunities to support local businesses during construction.
- Ensure we have your contact details so we can continue to communicate with you about the project throughout the delivery. This might include general project information and construction updates, as well as information about activities which might be of particular interest to you or your business.
- Give you an opportunity to provide comment or feedback on the Penola Northern Bypass Project.

We will be visiting local Penola businesses during the week of 19 August 2019 and hope to have the opportunity to meet with you.

Alternatively, please take the opportunity to drop in to one of the Community Information Sessions (details in the attached letter).

Once completed, you can return your Business Survey in any of the following ways:

- Scan and email to DPTI.CommunityRelations@sa.gov.au
- Return by post to Penola Northern Bypass Project, Department of Planning, Transport and Infrastructure, GPO Box 1533, Adelaide SA 5000
- In person: Drop it into the feedback box at one of the Community Information Sessions (details in enclosed letter)

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880, email dpti.communityrelations@sa.gov.au or visit dpti.sa.gov.au/penolabypass

Yours sincerely

**Community and Stakeholder Engagement Team
Department of Planning, Transport and Infrastructure and
Wattle Range Council**
