The Hon. Tom Koutsantonis MP
Minister for Infrastructure and Transport and Minister for Energy and Mining
Parliament House
North Terrace
Adelaide 5000

11 April 2022

Dear Minister Koutsantonis, *Tom*

On behalf of PwC Australia, we congratulate you on your election as Minister for Infrastructure and Transport and Minister for Energy and Mining in South Australia.

We have monitored with interest the breadth of election commitments you have made during the recent campaign and we are excited at the policy announcements to build a better future for all South Australians in a post COVID recovery.

PwC Australia employs over 8,000 people including over 200 professionals in our Adelaide practice. We are connected to the international PwC network of firms in 156 countries with more than 295,000 people. PwC's Infrastructure Advisory team offers comprehensive strategic advice and insight to drive successful outcomes throughout your project life cycle.

In 2021 we announced a Skilled Service Hub based in Adelaide that will create up to 2,000 jobs over the next five years. Over 320 of these professionals have already been employed at the Hub, including a team dedicated to supporting our infrastructure clients. Over 35% of these new staff members have relocated to Adelaide to pursue a career at PwC Australia. We are very proud of this investment in South Australia and given the importance of the Hub to the future plans for our business, believe it sends a strong signal to the broader community of the opportunities in this State. We would be delighted to offer you a tour of the Hub to understand further our investment in South Australia.

During the election campaign you outlined an ambitious agenda to make the most of post COVID opportunities in South Australia. We noted your plans for significant investment to grow South Australia's hydrogen industry and a strong plan to build the infrastructure required for the future.

We would be delighted to explore any of these opportunities in detail with you. We will work with your office to find a time to meet and brief you on the work we are doing in South Australia, the investment we are making in the State and our capabilities to help solve important problems.

Yours faithfully,

My best
