Subject: 23MIT5982 Visit to Webuild & Metro C, Rome.

Dear Tom and Jon,

On behalf of Webuild, I would like to thank you for taking the time from your busy schedules to come and meet with us in Rome and visit our project at Metro C. It really gave us an opportunity to better understand your needs, particularly in respect to your technical challenges. We hope that meeting us here gave you a feel for our engineering prowess as well as our project and company leadership styles – we certainly understand what it takes to build in live conditions under a city!

We took note of your interest in TBMs including lead times to design and procure and we will send you some information shortly based on our long history and niche expertise on the subject. Please let me know if there is any other information that could be useful to you.

I reiterate our commitment to T2D and investment in South Australia and we look forward to travelling with you on your exciting journey ahead. Marco and I are planning to come and meet you in Adelaide when next in Australia to continue the conversation, time permitting.

Appreciate it if you could also pass on my thanks to Evan as I do not have his email.

Wishing you safe travels,

Shalendra.
