

Flinders Link Project

Installation of the Elevated Walkway Closures of Service Road, Bedford Park

As part of the Flinders Link Project, the three spans (steel frames) which form the base of the elevated walkway will be installed over two weekends.

To safely facilitate the works the Service Road will be closed between Flinders Drive and the entrance to the Flinders Medical Centre northern car park from:

- **6pm Friday, 19 June to 6am Monday, 22 June; and**
- **6pm Friday, 26 June to 6am Monday, 29 June.**

Motorists requiring access along this section of the Service Road during the closure periods will be detoured via Sturt Road and University Drive. Please refer to the attached map, red arrows for northbound motorists and dark blue arrows for southbound, and blue arrows showing access via University Drive.

Speed and lane restrictions will be in place throughout the construction area. Signage will be in place to direct motorists. Please plan ahead, allow extra travel time and take extra care when workers are in the area. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Emergency and hospital access

Access for emergency services will be maintained at all times during the temporary closures. On-site traffic controllers will be in place to direct vehicles as required.

Access to the Flinders Medical Centre northern car park off the Service Road will remain operational at all times via University Drive but will be reduced to a single lane. The western end of the car park will be temporarily closed from 6pm Friday, 26 June to 6am Monday, 29 June 2020.

Access to Flinders Private Hospital will also be maintained via University Drive. Please refer to the map for further information.

Pedestrian and cyclists

Pedestrian access will not be permitted along the closed section of the Service Road while the works are undertaken, and pedestrians will be detoured via Flinders Drive. Please refer to the map for further information.

Traffic management will be in place throughout the closures to assist with pedestrian movements. Pedestrians are reminded to keep clear of the work zones. Cyclists will be detoured as per the detour for motorists.

Bus users

There is no change to public transport services.

To find out more about the Flinders Link Project or register for future email updates, please call 1300 928 345, email dpti.flinderslink@sa.gov.au or visit dpti.sa.gov.au/FlindersLink

For further information regarding the construction of the elevated walkway please visit the Flinders Link Project website to view the elevated walkway construction fact sheet.

The department appreciates your patience and cooperation while these important works are undertaken.

The Service Road temporary closure

Weekend 1 – 6pm Friday 19 June to 6am Monday 22 June 2020

Weekend 2 – 6pm Friday 26 June to 6am Monday 29 June 2020
